RE: Filing for an AO on behalf of the Green Party of the United States and the Green Party of Michigan's affiliation with that body and G/GPUSA.

Sir,

Regarding the above-mentioned matters, this letter is to inform the FEC that the Green Party of Michigan has resolved to disaffiliate with the GPUSA organization and to become solely affiliated at the national level with the Green Party of the United States. We feel that the former organization no longer represents the wishes of the vast majority of Greens in our nation. I write this to inform the commission of these matters in the event of any seeming conflict with or dispute over the commission's impending decision.

If you have any need for further detail or elaboration of our position, please feel free to contact me at any of the following phone numbers: 734-668-9628 (home); 734-662-7787 (work); 734-635-3541 (cell); or by email: treasurer@migreens.org.

Sincerely,
